His Scalp Torn Off.

Walter Essex, a school boy, was terribly injured in front of the Amidon School in South Washington yesterday. He was playing in the street and either fell, or was pushed under the wheels of a light wagon, driven by Arthur Marr. One of the wheels passed over his head in such a way as to cut off a piece of his scalp as large as a man's hand. He was removed to his home and attended by Drs. Fen-wick and Poulton. The driver surrendered to the police, but he was not held, as no blame attached to him for

KNIGHTS OF THE RAZOR.

The Boss Barbers Meet_Rumors of Journeymen's Strike,

There has been considerable talk of a strike among the journeymen barbers in this city, owing to the rumor that the bosses propose to add an additional hour to their time of daily labor. Last night the Boss Barbers Association held a meeting at the shop of L. C. Bailey, corner of Eighth and D streets northwest. The object of this meeting was stated to be "for the purpose of securing unity of action among the boss barbers; for the better government of the trade, and to promote the interests of those directly concerned." The meeting of the boss bakers was

held for similar purposes a few weeks ago and a rather extensive lock out followed.

The meeting was presided over by Mr. O. A. Williams. Every proposition that was advanced brought about a fusilade of discussion and no definite action was taken on any of them. Another meeting will be held on June 5, at the same hour and place, and an effort will be made in the meantime to have all the boss barbers join the organization, so that they can present an unbroken front in the event of a strike or other emergency.
